## THE GROOM ROOM

## The Ultimate West Coast Wilderness BACHELOR PARTY

Before embarking on a lifetime of adventures with your loved one, celebrate your friendships first with the West Coast Fishing Club, in the beautiful BC islands of Haida Gwaii (Queen Charlottes). Both seasoned fisherman and one-hit-wonders will be "hooked" as you soak up the surroundings of Canada's most remote archipelago.

Closer to the wilds of Alaska than the maple-leaved mainland, guests can expect a wealth of adventures from fishing to sea kayaking. Combined with fine food, friendly service and luxurious surroundings, guests are guaranteed a bachelor party leaving lasting memories of the one that didn't get away...

Fishing is truly the definitive group bonding exercise; West Coast Fishing

Club's three Haida Gwaii properties deliver the ultimate luxury wilderness weekend. The Outpost, on the far western reaches of Graham Island, offers an intimate 12-24-person setting with endless opportunities for an exclusive experience, surrounded by friends, fine food and fishing. High profile guests at the lodge include celebrities and leading sportsmen; NHL defenseman Willie Mitchell is a regular who lends his support to the West Coast Fishing Club's annual Fishing for Kids fundraising tournament and Olympic gold medalist, Mats Sundin reportedly chartered a private jet from Stockholm to host his ultimate bachelor send off at The Outpost last summer.

Accessible only by helicopter or boat, the rugged west coast is home the

most celebrated salmon runs in the world. Lodge staff are true professionals and seasoned guides ably assist in landing the legendary Chinook. Challenge your group to the first Tyee (fish weighing over 30lbs) or go after the monsters of the deep; Halibut from these waters can grow to over 200lbs!

If some members of your group find eating fish more appealing than catching them, then time your visit for one of their Culinary Series weekends. A roster of culinary talent includes Toronto's celebrated Chef Jamie Kennedy, Vancouver's own star Chef David Hawksworth and renowned Chef Vikram Vij (for the full roster visit [www.westcoastfishingclub.com](http://www.westcoastfishingclub.com)). West Coast Fishing Club's resident Executive Chef is a celebrity in his own right; Chef Ryan Stone will be representing Canada at the 2011 Bocuse d'Or Culinary Championship in France.

After an action packed day on the water, return to the dock for bar shots while boasting your catch, followed by an evening in the magnificent surrounds of The Outpost lounge. Watch the dramatic west coast wilderness from huge windows next to a roaring fire, marvel at the midnight sunset and devour gourmet feasts from the lodge kitchens.

At the end of the trip, West Coast Fishing Club will package up your prized catch and pack it on ice for the journey home. Fueled by memories of camaraderie and majestic visions of Haida Gwaii's west coast, you may even decide to return for your honeymoon!
