

## North Island Lodge Fishing Report

### North Island Lodge Report: June 29, 2007

June 29, 2007

This morning June 29th, we bid farewell to the guests of the "Friends of Mogens" annual derby. As always, this was a friendly, catch and release competition for fishing purists and a great time was had by all. Andy Wiese's 34 pounder on Thursday was enough to capture first place as two tyees on the final morning fell slightly short of the mark. We look forward to seeing everyone again next summer!

The afternoon session provided a perfect start for our new guests. Calm seas and light overcast plus great fishing action. For the first time in awhile, McPherson Point offered some of the strongest fishing we have seen this season. Schools of herring attracted lots of 25 to 35 pound chinook. We also recorded several coho in the 10 lb. range. Bait and big spoons trolled at 50 to 80 feet were the combination of choice. All in all, the kind of day that has made Langara Island a legend.
