May 10, 2022

Dear Valued Guests and Friends of The Club,

We are very excited to welcome our first guests of the season, in less than one month's time.

We wanted to update everyone on current travel requirements and COVID-19 protocols to ensure guests are ready to join us this season. Our policies follow all regulations as set out by Transport Canada and the province of British Columbia:

- All guests are required to present government issued photo ID to board transportation to the lodge
- Masks must be worn while travelling to and from the lodge via plane and helicopter
- Masks are welcome, but not required in shared indoor facilities such as the dining room and lounges

Travelling from outside of Canada:

The following applies to individuals flying and driving across the border:

To travel to Canada, you must be fully vaccinated as laid out below and upload your vaccination documentation to [ArriveCAN](#) within 72 hours before your arrival to Canada. *There are no longer testing requirements for fully vaccinated travelers entering Canada.

To qualify as a fully vaccinated traveler to Canada, you must:

- Have received at least two doses of a COVID-19 vaccine accepted for travel, a mix of two accepted vaccines, or at least one dose of the Janssen/Johnson & Johnson vaccine
- Have received your second dose at least 14 calendar days before you enter Canada
- Have no signs or symptoms of COVID-19

Within 72 hours of travel to Canada, you must:

- Use the ArriveCAN mobile app or sign in on a computer to enter your proof of vaccination, quarantine, and travel information. Upon completion, you will be provided with your ArriveCAN receipt. If not completed on your phone, be sure to print your receipt and take it with you when you travel.
