59 lb Tyee Caught at The Clubhouse!

July 20, 2021

It was an exciting week for tyees at The Clubhouse. Longtime guest, Mark Smith managed the catch of a lifetime with a 59 lb tyee! In other tyee news, there is plenty to report. Here are the standings for the first few trips:

Mark S. with his incredible 59lb tyee!

Top Chinook 2021:

- 59 lbs – Mark S.
- 45 lbs – Mitch C.
- 45 lbs – Bill S.
- 41 lbs – Julie L.
- 40 lbs – Gary S.
- 39 lbs – M. Z.
- 38 lbs – Peter D.
- 37 lbs – Mark C.
- And a handful of tyees in the 30-35lb range

A 45 lb tyee for guest Bill S. What a catch!

Mitch C. with a 45lb tyee and a beautiful sunny day in the background!

A 38 lb tyee for longtime guest Peter D.

Mark's legendary catch this week reminds us that there are very few spots along the coast that provide the opportunity to catch a chinook of this impressive size. This, combined with the short five-minute run to the fishing grounds marks WCFC one of the most unique spots to fish for salmon and halibut in Canada.
