

## Far Beyond Concert Series: Meet the Bands

January 17, 2022

The West Coast Fishing Club is pleased to present the Far Beyond Concert Series at The Clubhouse. Guests will enjoy live music nightly by two talented music duos, Mick Dalla-Vee & Marc LaFrance and Dave Reimer & Brent Knudsen. The bands consists of some of Canada's most sought-after professional musicians who have recorded and performed with a long list of international artists – from Shania Twain and Cher to Bon Jovi and Motley Crue – and countless musical points in between. They've also recorded and/or performed with Canadian rock icons Loverboy, Trooper, Prism, Chilliwack, Barney Bentall and have for many years been the backing band for music legend Randy Bachman and the frame of Bachman-Turner, whose long list of global hit singles include Takin' Care of Business and Roll on Down the Highway.

INTRODUCING MICK & MARC

Performing Live at The Clubhouse: September 1-4, 2022

MARC LAFRANCE

Marc has been involved in the music industry for over four decades and is a well-known and highly regarded industry professional. He has performed as a drummer and/or singer on over 100 albums, and countless sessions and live performances. In addition to playing drums and singing in the band Bachman Turner and as a member of Randy Bachman's touring band, some of Marc's past and present accomplishments include recordings with a vast array of prominent artists including Canadian groups Crowcuss, Chilliwack, Payolas, Loverboy, Trooper, Prism, Shari Ulrich, Bruce Miller, Straight Lines and Glass Tiger and international stars such as Long John Baldry, Alice Cooper, Motley Crue, Bon Jovi, Cher, Carly Simon, Blue Murder, The Cult, David Lee Roth, Scorpions, Black Veil Brides, "Michael Bubl e's Christmas in New York," and many others.

#### MICK DALLA-VEE

Singer, songwriter, producer and multi-instrumentalist, Mick Dalla-Vee taught himself to first play the guitar at age 10. In a career that's spanned three decades, the Cease & Desist front-man, bassist and guitarist has also become a very busy studio producer, musician, arranger and vocalist. Mick attained Gold and Platinum status for his work with Bachman & Turner (Live in New York City 2010) amongst other musical awards and co-written or written everything from country to smooth jazz, has played bass for Canadian

rock legend Randy Bachman (The Guess Who, Bachman Turner Overdrive) and keyboards for Grammy Award-winning R&B diva Melanie Fiona. He has also contributed vocals to projects by Mötley Crüe and Trooper, and created soundscapes for TV programs such as HGTV's popular Holmes Makes Right series. Currently he has an ongoing contract writing music soundscapes for ITV in the USA and Great Britain along with business partner Jeff Neill (of Streetheart and Jimmy Barnes fame) with their company 'The NV Music Group. Since 1986, Mick has played in 'Revolver – The World's Best Beatles Band' to sold out houses everywhere.
