

LANGARA ROCKS IN SEPTEMBER – JOIN US FOR LIVE MUSIC & BARBEQUE!

Langara Rocks in September

April 13, 2022

The travel restrictions of the past two years have resulted in pent-up demand for fishing adventures, which means that space is already extremely limited from June through August at both The Clubhouse and The Outpost.

The good news is that, as per usual, The Clubhouse will remain open for part of September, when the sun is still high and the good times are being had. Not only that but there will still be lots cooking on the back deck at The Clubhouse during that time, starting with the Beef, Barbeque & Bourbon event moving from its traditional slot in June to September 4-8.

Enjoy sunny September days on the water.

This year will feature Matt Pittman, world famous pitmaster and the founder of Meat Church – a global lifestyle BBQ brand. He is an expert and respected authority on outdoor cooking and has appeared on the hit TV show BBQ Pitmasters. Matt will share his deep-rooted passion for all things barbeque and bring our guests a taste of Texas to the remote shores of Haida Gwaii. Guests can look forward to wide-ranging nightly feasts along with bourbon themed cocktails specially customized for the occasion.

Join Matt Pittman, hailing from the great state of Texas where the love of barbeque runs deep.

Enjoy cocktails on the back deck with friends and family. Adding to the September sizzle, some of Canada's hottest rock musicians will be cooking up some tunes at The Clubhouse, both inside the lodge and on the back deck. Mick Dalla-Vee and Marc LaFrance, both long-time members of Randy Bachman's touring band and veterans of the Canadian recording industry will be playing and singing September 1-4. Then fellow Bachman bandmate, Brent Knudsen and the multi-talented Dave Reimer, a founding member of Barney Bentall and the Legendary Hearts, will rock it out for the season finale September 8-11.

Live music will be waiting in the lounge, hope to see you there....

September is shaping up to be the most entertaining month of the year, but you'll need to set your hooks soon.

Call us at 1-888-432-6666 or [click here](#) to make an inquiry online and you'll be contacted within 24 hours.
