

## Plan Your Corporate Fishing Adventure

February 23, 2021

West Coast Fishing Club is a leading provider of corporate group fishing adventures.

The West Coast Fishing Club has spent over 80 years and the vast business network we've recognized that the only alternative to a fishing adventure in the most remote and beautiful regions represents an effective form of Corporate is available unlike the day, even if you don't have a large budget. We address corporate clients from all over the world, but we feature 500+ companies.

• Pre- and Post-Trip Planning:

• [Download Our CORPORATE BROCHURE](#)

• We can assist in booking your hotel, dining and transportation needs pre- and post-trip including preferred rates and Aerocar rates.

• Presentation and Meeting Facilities:

• Private meeting rooms are available along with audio visual equipment.

• Custom Tours:

- Helicopter tours: beach or the Langara Lighthouse tour
- Whale watching and wildlife viewing tours

- Custom excursions: beach and hikes to Kiusta, an ancient Haida village
- Unique Dining Opportunities
  - A private dining room can be booked at The Clubhouse
  - Outdoor catered beach lunch
- The Comfort of Larger Boats
  - Our larger-sized 25', 27', 29' and 31' Clubhouse boats allow for a comfortable client entertaining experience
- The Marketing of Your Event. Custom marketing can be created including:

Entertain clients in the comfort of our Boston Whaler fleet on the water in Haida Gwaii.

- A unique online landing page for your group
- Branded clothing and swag with your corporate logo
- Professional photography services

There is no better place than one where every waking moment has its wow factor – an exhilarating salmon strike, a whale breaching, a culinary work of art at dinner, or a mystical seascape at dawn. We invite you to create lasting memories for the important people in your business with an experience far beyond their wildest imaginations.
